

2023 ASEC VIRTUAL WORKSHOP SERIES

CARBON CAPTURE AND SEQUESTRATION: THE MYTH AND THE REALITY

WORKSHOP AGENDA

TUESDAY, APRIL 11

8:30 AM AKT | **Welcome**

- Haley Paine, Deputy Director, Alaska Division of Oil and Gas
- Gwen Holdmann, Associate Vice Chancellor for Research, Innovation and Industry Partnerships, University of Alaska Fairbanks

8:55 AM AKT | **Carbon Capture Utilization and Storage 101**

- Ruth Ivory-Moore, Policy and Advocacy Manager Americas, Global CCS Institute

9:30 AM AKT | **CCUS at an Inflection Point**

- Laura Brannen, Senior Policy Advisor and Federal Climate Policy Lead, The Nature Conservancy

10:05 AM AKT | **Carbon Clean: Innovating Carbon Capture Technology**

- Vikram Arya, Sales Manager - Canada, Carbon Clean
- Ashish Patel, Senior Application Sales Engineer, Carbon Clean

10:35 AM AKT | **Break**

10:50 AM AKT | **The Geology of CCS and the Potential of Alaska's Basins**

- David LePain, Director and Alaska State Geologist, Alaska Division of Geological & Geophysical Surveys

11:25 AM AKT | **The Business Case and Economics of CCUS**

- Nicholas Fulford, Gas/LNG and Carbon Management Senior Director - Americas, GaffneyCline

12:00 PM AKT | **Permitting CCS Projects in North Dakota and Class VI Well Primacy**

- Richard A. Suggs, Geology Manager and Class VI Program Manager, State of North Dakota: Department of Mineral Resources

12:30 PM AKT | **Closing Remarks**

2023 ASEC VIRTUAL WORKSHOP SERIES

CARBON CAPTURE AND SEQUESTRATION: THE MYTH AND THE REALITY

WORKSHOP AGENDA

WEDNESDAY, APRIL 12

8:30 AM AKT | **Welcome Back!**

- Frank Paskvan, Affiliate Professor, University of Alaska Fairbanks

8:50 AM AKT | **Iceland as a Pioneer in CCS Technologies**

- Ragna Björk Bragadóttir, Innovation Project Manager, Carbfix
- Deirdre Clark, Geochemist, Iceland GeoSurvey

9:40 AM AKT | **SaskPower Boundary Dam: The First Power Station in the World to Implement CCS Technology**

- Ranjith Narayanasamy, President and CEO, Petroleum Technology Research Centre

10:10 AM AKT | **Break**

10:25 AM AKT | **From a Little Acorn: Lessons Learned in Carbon Storage**

- Chris Armes, Head of Americas Development, Storegga
- Elle Lashko, CO2 Storage Geoscientist, Storegga

11:00 AM AKT | **CINGSA Gas Storage and Transport in Alaska**

- Matthew Federle, Director, Cook Inlet Natural Gas Storage Alaska

11:35 AM AKT | **Opportunities for CCUS and the Coal Sector in Alaska**

- Justin Seavey, Senior Projects Engineer, Usibelli Coal Mine

12:05 PM AKT | **Closing Remarks**
